Provide the hospital or doctor with a copy of your ID card so they can bill us for the services provided to you. This shows your member ID and is how to find you in our system to verify benefits. Failure to give the correct information to the provider could result in bills getting sent to you, instead of the insurance company. All claims, regardless of submission date, must be received in our office within 90 days of treatment or they will be denied. Initial treatment must occur within 90 days of the Accident or Sickness.
